

## RPZ valve: application to remove

**Important information:** Prior notification is required for the removal of RPZ valves. Applications must be forwarded to [waterregulations@bristolwater.co.uk](mailto:waterregulations@bristolwater.co.uk) or by post. Removal without the consent of Bristol Water could result in enforcement action. A copy of the RPZ approved installation method can be found here [bristolwater.co.uk/water-regulations](https://bristolwater.co.uk/water-regulations).
