Important Additional Information

- Charges and associated information is detailed in Bristol Water Standpipe Hire Charges: 1 April 2021 to 30 March 2022.
- Bank Details for payment:
- Please do not make Standpipe payments to Bristol Water Billing Services Limited (BWBSL).
- Standpipes are not generally intended for domestic drinking water, including temporary accommodation, offices and welfare facilities. For domestic use enquiries please contact the Standpipe Hire Department 0345 6000 220.
- On receipt of your payment an invoice will be issued including VAT where applicable.
- Failure to return a Standpipe at the end of the agreed hire period will result in additional hire charges.
- Any damages, losses or stolen standpipes will result in additional charges, which may be offset against deposit payments according to the terms and conditions of hire.
- Failure to provide accurate meter readings may result in termination of hire agreements or estimated charges.

Agreement

I have read and accept the Terms and Conditions. I understand that I can only use the standpipe(s) issued to me by Bristol Water and may not use any hydrant until the appropriate fee has been paid and a signed contract and authorised standpipe have been issued. I understand that standpipes hired are not intended for drinking water or domestic consumption purposes unless otherwise stated. I confirm that everything stated above is true and accurate.
